Satellite Symposium • October 13, 2018 | Berlin, Germany

Dementia Prevention by Stroke Prevention

10:00

Setting the Scene

Chair: Vladimir Hachinski – London, Ontario, Canada

- Dementia prevention by stroke prevention: call for action (short introduction)
Vladimir Hachinski – London, Ontario, Canada
- Dementia in aging societies and opportunities for prevention
Carol Brayne – Cambridge Institute of Public Health, UK
- Diverging trends in dementia
Suvarna Alladi – National Institute of Mental Health and Neurosciences, Bengaluru, India

11:20

Coffee Break

11:40

Now is the time

Chairs: Martin Dichgans – Ludwig-Maximilians Universität München, Germany

Matthias Endres – Charité-Universitätsmedizin Berlin, Germany

- Less dementia with oral anticoagulation in atrial fibrillation
Leif Friberg – Karolinska Institute, Stockholm, Sweden
- Post-Stroke Dementia: mechanisms and opportunities for prevention
Martin Dichgans – Ludwig-Maximilians Universität München, Germany
- Vascular dysregulation: the first stage of late onset Alzheimer's Disease
Alan Evans – Montreal Neurological Institute and Hospital, Canada

13:00

Lunch

14:00

Targets for Dementia Prevention: Vessels and Molecules

Chairs: Ulrich Dirnagl – Charité-Universitätsmedizin Berlin, Germany

Arno Villringer – Max Planck Institute for Human Cognitive and Brain Sciences, Leipzig, Germany

- Cerebral amyloid angiopathy as a target for dementia prevention
Steven Greenberg – Harvard Medical School, Boston, USA
- The vascular biology of dementia
Costantino Iadecola – Cornell University, New York, USA
- Cerebral small vessel disease: novel targets for prevention
Joanna Wardlaw – UK Dementia Research Institute, University of Edinburgh, UK

15:20

Coffee Break

15:40

Roadmap for Dementia Prevention

Chairs: Yves Joannette – CIHR Institute of Aging, Montreal, Canada

Zaven Khachaturian – Editor-in-chief, Alzheimer & Dementia

- Facilitating research for dementia prevention: the German Center for Neurodegenerative Diseases (DZNE)
Pierluigi Nicotera – German Center for Neurodegenerative Diseases, Bonn, Germany
- Action Plan for Stroke in Europe
Bo Norrving – Lund University, Sweden
- Turning knowledge into action: lessons from stroke
Werner Hacke – University of Heidelberg, Germany
- Next steps and concluding remarks
Zaven Khachaturian – Editor-in-chief, Alzheimer & Dementia
